Dear Mr. Smathers:

This is a final response to your 29 November 2010 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 29 November 2010, for **“all records concerning disclosures of personal relationships made by CIA personnel to Human Resources between January 20, 2009 and the date this request is processed.”**

The FOIA requires requesters to “reasonably describe” the information they seek so that professional employees familiar with the subject matter can locate responsive information with a reasonable amount of effort. Because of the breadth and lack of specificity of your request, and the way in which our records systems are configured, the Agency cannot conduct a reasonable search for information responsive to your request. We encourage you to refine the scope of your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Viscuso", with a long, sweeping horizontal line extending to the right.
